LEAGUE FORMATION FOR 2010

The only change that I know of as of Sunday 7th March is that GTC have dropped out of the midweek league. This means there are only 4 teams and ideally one more is needed!

At the moment there are still 10 teams for the weekend divisions. If we fall below this we have a problem!

Scotter are looking to play as many home matches as possible in the first half of the season, as work is to start on their courts. I am sure every team will help with this!

MENS/LADIES LEAGUES

We have some interest in these, but not enough to form a division. However some matches could be organised and a format agreed at the AGM. For instance does the format include some singles rubbers and are they weekend or midweek matches!

PAPERLESS LEAGUE!!

In 2009, thanks to our Website organiser Allan Thompson, we moved to an paperless set-up. IMPORTANT – PLEASE ENSURE YOU HAVE EMAIL ADDRESSES FOR ALL YOUR CLUB CONTACTS!!

At the AGM, the weekend teams can either fill the sheet in for fixtures made or email them to me within 7 days.

FINANCES - There is no reason to change the annual sub of £8 per team.

PRESENTATION EVENING - I am sorry but I was too busy to consider organising the Presentation/Quiz Evening for 2009. Is that the end or will someone take it on?

OFFICIALS – Hans Schimmel of Grange Park has agreed to become League Vice-Chairman and help me as he has done with the winter league. Robert Burrell has agreed to remain as Treasurer, if no other volunteer can be found!

SEE YOU ON THE 22nd March for a 7pm prompt start. Please ensure every club is represented. For the past two years this has caused problems in fixture making and getting information out to clubs.

Will clubs bring any trophy they have to the AGM please!!

HOLIDAY – Liz and I are on holiday from 12th to 19th March
