NEWSLETTER-FEB 2008

**ANNUAL GENERAL /FIXTURE MEETING**

This has been fixed for MONDAY, MARCH 10<sup>th</sup> with a prompt 7-15pm start. The meeting is at the CAISTOR CRICKET/TENNIS CLUB.

**AGM MATTERS**

**TEAMS – WEEKEND.** As we finished last season, we had two weekend divisions of 5 teams, so playing 8 matches each. Any reduction in this total of 10 teams will cause a real problem for 2008, so new teams are very welcome.

**TEAMS – MIDWEEK.** As we finished last season we had two divisions , one of 5 and one of 6. Probably the maximum is 7 in each division, so there is room for new teams.

**OFFICIALS** – Clare Mounter moved out the area last Autumn. So we need a new Fixture Secretary. The main duties are to receive scorecards, collate league tables and liaise with Allan Thompson (for the website) and send tables, now and then, to local newspapers, plus chase problems.

As I mentioned in the last newsletter, I discussed with Allan Thompson the use of emailing, rather than the time consuming and cost of posted newsletters. So for this AGM, would clubs get one (or more) contact email addresses per team to allow regular news, to include league tables and results, etc. This can be put on the fixture sheets filled in at the AGM.

**SUBSCRIPTIONS** – The leagues finances remain in a healthy state and there is no reason to change the subs of £8 per team.

We shall need to print some new scorecards prior to the 2008 season. The first time for a few years! It is always best to print the name and address of the Fixture Secretary on the back, so if a volunteer came forward prior to the AGM, it would avoid having to post out scorecards.

**PRESENTATION DO**  
Do we keep the current quiz night format going?

**REMEMBER**

Get Email addresses for each team or club secretary or both!  
The AGM starts at 7-15pm prompt. We need a FIXTURE SECRETARY!

**NOTIFY ME IMMEDIATELY IF YOUR CLUB DECIDES TO INCREASE/DECREASE THE NUMBER OF TEAMS IN THE LEAGUES!**
